District News & Updates!

New Visitor Procedures:

As part of a new initiative to help foster a safe and secure learning environment while school is in session, changes are being made to visitor procedures at school buildings. The first phase of this initiative was establishing a single point of entry in all nine school buildings, which was accomplished at the start of the 2018-19 school year. The second phase of this initiative is the implementation of a secured visitor management system. One component of this is the Raptor system, which is being piloted in select school buildings in anticipation of district-wide implementation. Once Raptor is implemented, visitors will need to have a valid government-issued identification in order to gain entry to a school building.

The Ken-Ton School District appreciates the cooperation of the entire school district community as these changes have been implemented. Please visit www.ktufsd.org/visitors to learn more about Raptor and the changes that are taking place to visitor procedures. Parents/guardians will receive additional information when their child's school begins implementing the Raptor system.

School Breakfast/Lunch Applications:

The Ken-Ton School District Food Service Department encourages all families whose household income has been impacted as a result of any job loss or change to apply for free/reduced-price lunch and breakfast. Families can apply at any point during the school year, and once you qualify, your child will be eligible to receive free/reduced-price lunch for the remainder of the school year. Please contact the Food Service Department at (716) 874-8400 ext. 20404 for information on how to apply.

Megan's Law Notifications:

In accordance with the NYS Sex Offender Registration Act, also known as Megan's Law, law enforcement agencies periodically provide notifications to school districts regarding registered sex offenders who may be residing or intend to reside within the school district. These notifications are disseminated electronically so that staff and parents may have fast and easy access to Megan's Law notifications. Please visit www.ktufsd.org/Megan'sLaw for more information and for recent Megan's Law notifications.

Job Opportunities:

The Ken-Ton School District has many exciting job opportunities available! Please visit www.ktufsd.org/jobs to learn more.

Substitute Teachers are in high demand throughout the Ken-Ton School District. Substitute teachers earn a minimum of \$90.00 per day with opportunities to work virtually every day of the school year. They are eligible to join the NYS Retirement System and earn credit toward retirement. Substitute teacher positions also offer the opportunity to work regularly and flexibly depending upon your own personal preferences.

Bus Drivers are also in high demand. Permanent positions are available and these positions offer great hourly wages as well as benefits including NYS retirement. Training is provided by the district free of cost. The success of every child is dependent on their ability to get to school on time every day, and that would be impossible without the work of the district's dedicated bus drivers. The vital services they provide are appreciated and valued by the entire school district community.

Quilting - Scrappy Nine Patch Quilt

It is time to try to make a dent in our scrap piles. We will make a scrap quilt using fabrics we already have OR perhaps we will trade fabrics with fellow classmates. If you are new to quilt making, this is the perfect class for you. Other class members will have plenty of scraps for you to use. This cheerful quilt will be made with three inch, finished size, nine patch blocks, with yardage from another fabric to set it together in an interesting medallion design. You may always make a smaller project - nine patch blocks lend themselves for many possibilities. If you wish to get a head start on making the blocks, any combination will do (remember, this is scrappy). Simply make nine patch blocks using cut 1 1/2" squares so the blocks will finish 3" (3 1/2" with seam allowances).
